

Every day they impact lives. Every time, every touch they fulfill Inova’s mission to provide world-class healthcare. The **2019 Inova Honors Dinner** recognizes three outstanding teams of healthcare professionals and clinicians who always put patients and families first while serving our community. We celebrate the compassion and exceptional level of care given by each of the honored teams:

- The award-winning **Inova Heart and Vascular Institute** not only leads the country with top-ranked physicians right here in Northern Virginia, but also conducts innovative research that impacts patient lives for years to come.
- **Inova nurses** interact with the more than 2 million individuals we serve annually, and their compassionate and comprehensive level of care is key to providing a high level of excellence for all our patients.
- The **Inova Child Life** team ensures our youngest patients and their families are put at ease through a variety of services from sibling care, to pre-surgical hospital tours, to therapeutic play.

While their commitment to patients and families is unsurpassed, the care they provide on a daily basis would not be possible without our generous donors. On the evening of November 15, 2019 we will honor these stand-out teams, as well as the philanthropic and community support that allows them to be amongst the top in our region.
